# Landlord Mobile App Documentation

## Splash Screen

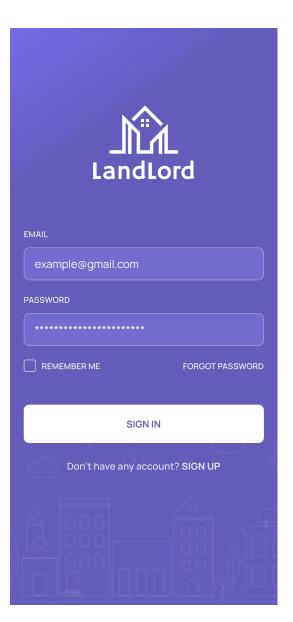

This is the splash screen. We can use the app's logo on this screen. Splash Screens are typically used by particularly large applications to notify the user that the program is in the process of loading.

# Login with

Here, users can see two login options: one for the landlord and another for the tenant.

## Login Page

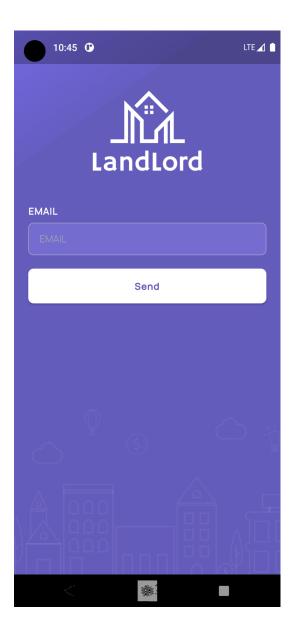

In this section, you can see a login page with two fields for logging into this app. If you don't have a login credential, you must register. You can see a sign-up text at the bottom of the page. If you click on this text, you can find a registration page.

In the Register, you can see many basic information fields. You have to fill out those fields with valid information, then click on the "sign up" button to get into this app.

## Forget password

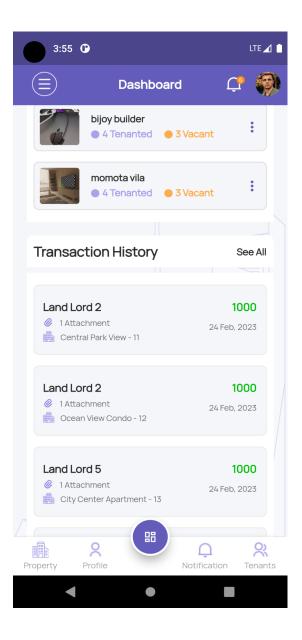

In case you forget your password, you can reset it easily by clicking the forget password link on the sign-in page. This page requires you to provide your email address, where an OTP will be sent.

### **Reset Password**

Reset Passwo	ord
< 🕷	

The following three fields are required for the password to be reset: You need an OTP, which was already sent to your valid email address, and you also need to write down your email address before you can reset your password.

### **DashBoard Page**

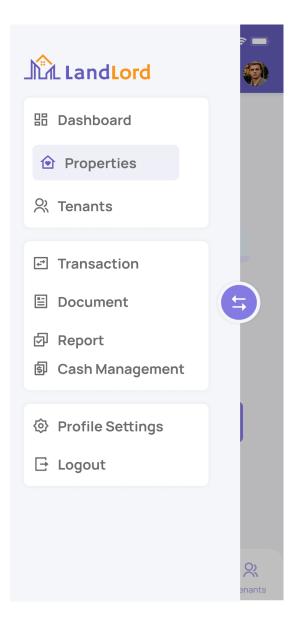

If authentication is complete, you can see a dashboard screen. In this section, you can find a summary of the whole app. On this page, first, you can see a welcome message with your name and profile image. Here you can see a grocery list cart where you can manage your property, tenants, and many other things. At the bottom of the Grid list, you can see a summary of properties, both occupied and vacant. At the bottom of the summary, you can find a Properties list summary that was added recently. There is also a See All option where you can go to the properties list page where you can find all lists of properties. Under the properties section, you can find a transaction list similar to a property summary.

### **Properties Details**

#### Description

With several noteworthy facilities, this vacant flat assures all time water, gas and electricity. An active elevator takes you to this floor in that building right to this flat. The interior is well maintained and bears the look which appeals to inhabitants. A large number of groceries, school, colleges and Universities are located in the nearby area. The location is very pleasant to settle in with your family.

In these property details, there are five tabs with information.

- 1. Basic information (size, beds, bath, rent, category type, completion)
- 2. Gallery (Here you can find your apartment image here)
- 3. Tenants (current tenants, history tenants)
- 4. Facilities.
- 5. Floor plan (apartment design plan)

In add-tenant, you can add tenant-related information here. If you want to add a tenant, you must fill in valid information here and add the tenant image.

### **Tenants Details**

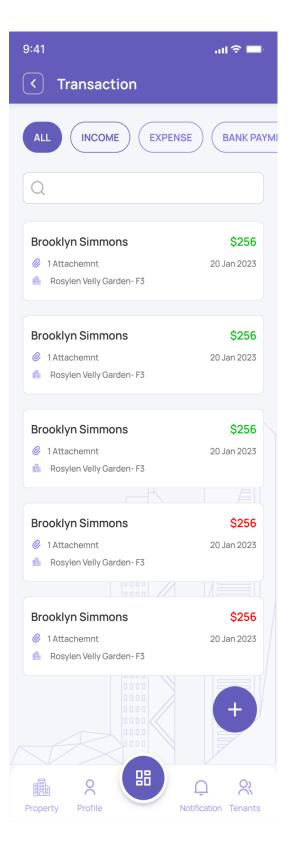

You can find all of the tenants' information in this Tenants Details section. There is six-tab bar information here.

- 1. Basic information: There you can find the join date, occupation, designation, institution, NID number, and passport number.
- 2. Document: Here you can see the document file that the tenants uploaded.

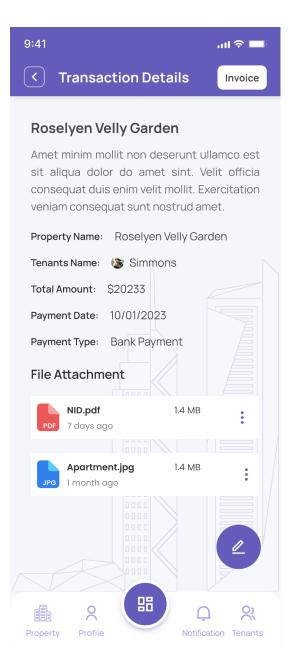

- 3. Emergency: Emergency and reference contact information for tenants can be found here.
- 4. Accounts: Accounts-related information like account numbers, account holders' names, and bank and branch names can be found here.
- 5. Transaction: Here you can find all tenants' transactions.
- 6. Agreements: All the agreement information you can find here

### Transaction

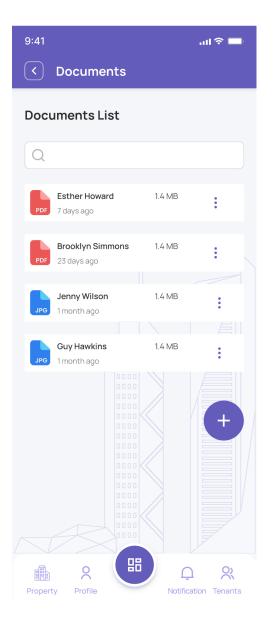

On this page, you can find all types of information. You can also search for your transaction from here. You can also add a new transaction by clicking on the plus icon.

### **Transaction Details**

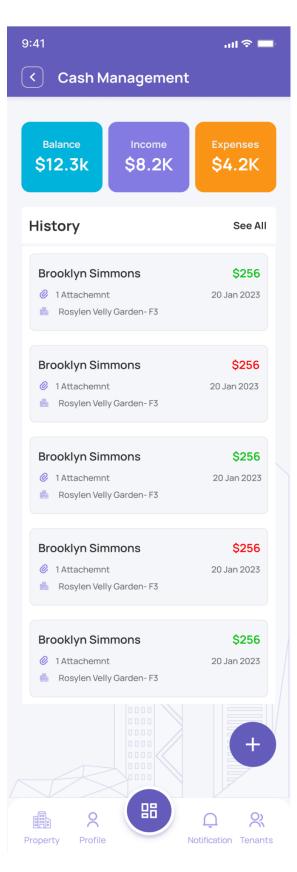

There, you can see the details of transactions and the file that has been added by tenants.

# Documents

In this section, you can see all the document lists and also search for a single file. You can also add a document from here.

## **Cash Management**

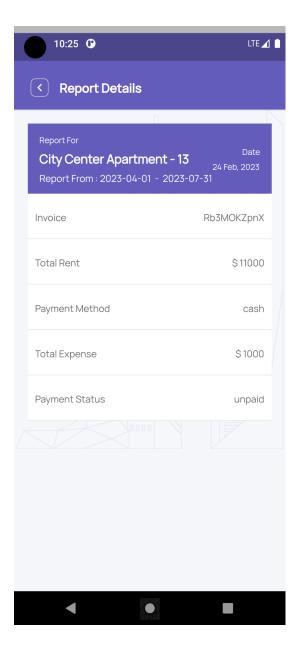

On this page, there is a balance summary where you can see balance, income, and expenses. Under the summary, you can see a balance-related list, and you can also add cash-related information.

# Reports

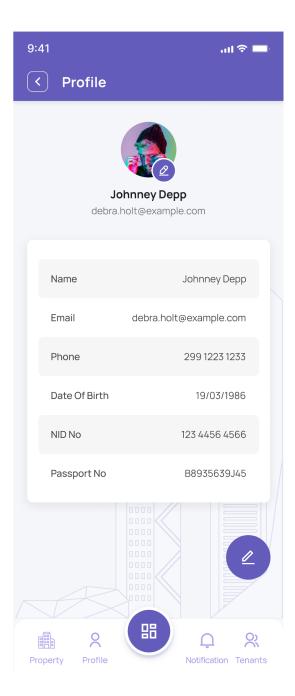

Here you can see reports by filtering properties, tenants, and months.

# **Reports Details**

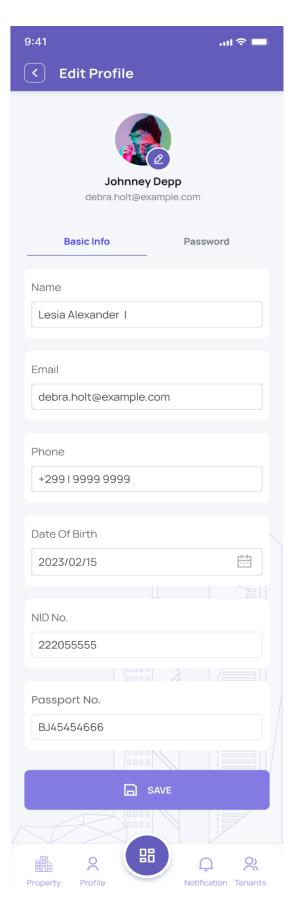

In this section, you can see all the details of the report.

# **Profile Settings**

There you can find the profile page. Here you can see all profile-related information. Also, there is an edit icon button. You can easily change your profile settings by clicking on this button.

# **Edit Profile**

You can change all of your information in the edit profile section. You can also change your profile picture from here. Here you can find basic information and a password change option.
